

FUSIONWORKS

DANCE CENTER

PART-TIME JAZZ / TAP TEACHER

Fusionworks Dance Center has ongoing openings for jazz and tap teachers. We are seeking enthusiastic and versatile teachers to join our faculty of passionate and welcoming artists. Our tap and jazz classes, ranging in age from 7-adult, are held at our dance studio in Lincoln, RI.

Our ideal instructors are comfortable teaching and choreographing for beginner jazz/tap combo classes (ages 7-9) that will fortify foundational skills and also leading students through a more formal, intermediate curriculum in our youth classes (ages 10+) in a safe and encouraging environment. Candidates must be able to accommodate various levels of ability in a classroom.

Additional teaching and choreographic opportunities can become available, as well as opportunities for administrative work, helping manage our National Honor Society, and subbing for additional income.

COMPENSATION

Compensation is commensurate with teaching experience. The faculty of Fusionworks Dance Center also has access to Dancing Legacy programming including workshops, company classes, and enrichment activities.

TO APPLY

Please send resumé and references to: info@fusionworksdance.com. Videos showcasing your teaching or choreography are also welcome.

ABOUT FUSIONWORKS DANCE CENTER

Fusionworks Dance Center is a growing arts organization offering a holistic, non-competitive approach to dance education. We strive to provide the highest quality dance education in the Rhode Island area, with an emphasis on modern dance. Our parent company, Dancing Legacy, guides our curriculum, highlighting American dance heritage in the studio setting and uniting the students with the broader field of dance. Through Dancing Legacy, our students have direct access to a national network of dance professionals, as well as ongoing interactions with local artists and community members.
